INTERVIEW SUMMARY

Applicants thank examiners Amy Bowan and Heather Calamita for the courtesy extended Applicants' representative Brenden Gingrich and Teresa Liang in the telephone interview conducted on August 31, 2011. The rejection of all pending claims under 35 U.S.C. § 103(a) was discussed. Applicants argued that even if a *prima facie* case of obviousness has been presented, a point which Applicants do not concede, the claimed method has unexpected properties which are sufficient to overcome the *prima facie* case. The Office asserts that the unexpected results are not commensurate in scope with the instant claim breadth. No agreement was reached.
